1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Carolina Water Service.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I believe this is their third request to increase their rates. I believe they were granted an increase in rates the prior 2 times. We have not seen any improvement in service or water quality. Asking for an 80% water rate increase is outrageous. We already pay an exorbitant amount per month. In 2010 our monthly water bill averaged \$84.98. This was true even during the winter months when water consumption goes down. To have to pay that much per month is ridiculous and for Carolina Water to ask for another increase is beyond my comprehension.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

That will not be necessary as I have a conflict with the scheduled meeting.
